25X1 There was intensive flying with 21 swept-back wing jet fighters and a trainer, jet fighter of a type similar to a converted Yak, at the Parchim (M 54/T 74) airfield in clear weather. Practice flights, mostly local, were made.

25X1 ☐ Comment:

25X1 Another ☐ confirmed that the field was occupied by jet planes. The fighter regiment so far stationed at the field is apparently being re-equipped with jet planes. The reported number of jet aircraft is the largest seen so far in Parchim.
